Thanks for the prompt response.

Could you pl. approve my access to the Integral portal and reply all?

Erika-

thanks for the prompt response. Satya will need to send the request through EPA, who then sends

9672268

us a request. We only set up accounts through that path.

Satya, please contact Gary Miller with your request. [miller.gary@epa.gov](mailto:miller.gary@epa.gov)

Thanks,

Satya,

I do not have any users registered under your name or email address, so it appears that you were not setup with an account. I can certainly create one for you once I get approval from our project manager though.

Jennifer,

Do you want Satya to be setup with a new wiki account for the SJRWP project? Please advise.

Thanks!
